[Confirm Results](#)

Click on “Confirm Results” will take you to the Match Detail/Match Results page.

Enter the match “Date Played” and check that the players and scores are correct.

Scroll to the bottom of the page to find a dropdown box. The choices are “Confirm” or “Dispute”. Choose and Save.

“Confirm” – You are in agreement with the results entered.

“Dispute” – You have found an error with the results entered.

If you find an error in the results entered, first confirm with your players, then go to the other captain. If you are not in agreement then go to your Level Coordinator. If you still cannot resolve the issue then click the “Dispute”.

When you click “Dispute” the match must be reviewed by the Ethics Committee and they will decide the final result.
